

WILLIE

Willie Nelson's a
friend I've never
met but it
don't matter
He works
his end I
work mine.

NEVER DRINK ALONE

Never drink alone
Mother told me
attempting to
wise me up
23 years ago.
She saw into me.
Now a crippled lady
I must go see
her & someday
illustrate myself
to her as
a comfort.

BORE

She has words
of advice for
everyone her
husband her
children (now grown)
her dentist
next door neighbors
co-workers anyone
who will listen.
Maybe because her
profession is teaching
she feels qualified.
